Men's and Boys' Suits and Summer Underwear at Low Prices!

On August 9th we had the misfortune to have a water pipe over our store break and wet our stock. We are going to give the public the benefit of it. We had 100 reguld Suits and 95 Two-piece Suits damaged by water. The water did not damage the Coats or Vests (only the Trousers), and a great many of them don't even show the stains. We also had the most of our stock of Summer Underwear wet and we intend to sell this at a discount.

All Straw Hats at 30 per cent off. Boys' Wash Suits, Belts and Fancy Hose at 25 per cent discount.

Furs at 80 Per Cent of Their Face Value.

There has been a great change in the Fur situation since last March, the time of the great London Fur Sales. Then it looked as though Fur Neck Pieces would not be as good as last season, consequently Furs sold in the raw skins for 20 per cent. less than the season before. Now the situation is changed. All Cloth Coats for Winter have low collars, making it absolutely necessary that every lady should have a Fur Neck Piece. Fur has advanced to meet that demand. As our Furs were bought in March, now it's our generosity and good fortune to be able to sell all Neck Furs in this two weeks' sale at eighty per cent of their face value, being less than cost of skins today.
